PATONS

ARAN LOOK for the family

There's a family feeling about Aran designs – all those exciting stitches – bobbles, diamonds, trellis ribs and so on, knit into such wonderful husky designs for Father, Mother and the children – teenagers too – they love to wear them, and they know they are right in line with fashion.

Best of all and most popular in natural tone, or there are traditional colours to choose from in Patons special sports wool – Capstan Double Knitting.

The 12 designs in this book include every member of the family, and cover a wide range of sizes.

Coat dressed with informal accessories for country wear. Overall size fits 37 to 40 in. (94 to 101 cm) bust and long lines of cables and bobble panels, give a very slimming styling. Sporty look in the cap and mitts above, strikes a note of brilliant colour for a wintry day; or choose navy or natural, of course, for a correct sailing look.

Classic Look

continued from page 22

With right side facing, change to No. 8 needles and patt. as for first size on back, shaping sides by inc. 1 st. at each end of 9th and every following 8th row until there are 75/75 sts., taking inc. sts. into patt. as they are made.

Work straight until sleeve seam measures 16/16½ in. (41/42 cm).

With right side facing, shape top by casting off 4 sts. at beg. of next 2 rows, then dec. 1 st. at each end of next and every alt. row until 43/37 sts. rem.

Note:

The designs in this book have been carefully selected to cover as wide a range of sizes as possible. The Aran stitches chosen for each design have to be very carefully planned and arranged, and it is regretted, therefore, that no other size adaptations are available.

HOW TO CHECK YOUR TENSION

Before you knit the designs in this book, check your tension carefully.

Take a pair of No. 8 needles, cast on 10 stitches and work in stocking stitch—1 row knit; 1 row purl—for 13 rows.

Cast off; press lightly on wrong side.

The tension should be 10 sts. and 13 rows over 2 in. (5 cm) and the finished square should measure 2 in. (5 cm) each way.

If the square is bigger your work is too loose; try a size finer needle.

If it is smaller your work is too tight; try a size coarser needle.

If you knit to the correct tension in stocking stitch, you will knit naturally to the correct tension for any stitch to this booklet.

If you alter the needles to obtain the correct tension in stocking stitch, corresponding alterations must be made to the needles throughout.

The secret of perfect knitting lies in starting off on the right lines by practising your Tension first. You must get this absolutely correct before beginning an actual garment.

All the patterns in this book are based on the standard stocking-stitch Tension for Capstan on No. 8 needles—5 sts. and 6½ rows to 1 in. (2 cm).
